RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Sir:

I am responding to the Examiner's Notice of Non-Compliant Amendment of August 8, 2005 and amending the status of select claims as requested by the Examiner. No substantive amendments to the claims are made.

This response should be deemed filed within two months of the mailing date because the two-month anniversary fell on Saturday October 8, 2005 and this filing is made on the following business day (see 35 U.S.C. 21(b)), following the weekend and a holiday. If necessary, the Applicant respectfully petitions for a one month extension of time (and any additional extensions of time that may be deemed necessary), and requests that all amounts necessary to be paid with this filing, if any, be deducted from the Applicant's deposit account No. 503090. However, the Applicant respectfully asserts that no extensions of time should be necessary, and no fee should

be required with this filing, because the notice was inadvertently mailed to the wrong correspondence address. The notice was mailed to Covington & Burling, Attn: Patent Docketing, 1201 Pennsylvania Avenue, N.W., Washington, DC 20004-2401. However, the Applicant filed a change of correspondence address on January 26, 2004, changing the address to Fastcase, Inc., PO Box 26055, Alexandria, VA 22313. A copy of this change of address was re-filed on May 23, 2005.

A complete listing of the claims, with the amendments of December 9, 2004, is presented below:
